About International Conference – The International Conference of CA Students is a very prestigious event for the Institute and is organized once every year. With an objective to bring together the accounting student fraternity from across the world, the ICAI is organizing International Conference on 22nd – 23rd June, 2024 at Biswa Bangla Auditorium in the Hitech city of Kolkata, India on the theme “Drishti se Shristhi”. The two day event is expected to be a grand congregation of accounting students and will be instrumental in invoking an innovative thought process to widen their perspectives and broaden their horizons. Delegates from other countries will also participate in the event. Therefore, students are kindly requested to register for the event to avail themselves of the benefits of this spectacular occasion.

About Kolkata – Kolkata, formerly known as Calcutta, is the capital of the Indian state of West Bengal. It's one of India's largest and most vibrant cities, renowned for its rich cultural heritage, literature, art, and intellectual pursuits. Here are some key aspects:

History: Kolkata has a fascinating history dating back to the British colonial era when it was the capital of British India until 1911. It played a significant role in the Indian independence movement.

Culture: Kolkata is often called the "Cultural Capital of India" for its contribution to literature, art, music, theater, and cinema. The city hosts numerous festivals, including Durga Puja, which is celebrated with great fervor.

Literature and Intellectualism: Kolkata has been home to many literary giants, including Rabindranath Tagore, India's first Nobel laureate in Literature. The city is also known for its intellectual heritage, with renowned institutions like the University of Calcutta and the Indian Statistical Institute.

Conference Highlights

- International event with eminent speakers across the globe
- Futuristic topics and world class presentations
